Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Ainsi l humanite, subissant, a travers les ages, l enchantement du mysterieux Amour, palpite a son seul nom sacre. Toujours elle en divinisa l immuable essence, transparue sous le voile de la vie, - car les espoirs inapaises ou decus que laissent au c ur humain les fugitives illusions de l amour terrestre, lui font toujours pressentir que nul ne peut posseder son reel ideal sinon dans la lumiere creatrice d ou il emane. Et c est pourquoi bien des amants - oh ! les predestines ! - ont su, des ici-bas, au dedain de leurs sens mortels, sacrifier les baisers, renoncer aux etreintes et, les yeux perdus en une lointaine extase nuptiale, projeter, ensemble, la dualite meme de leur etre dans les mystiques flammes du Ciel. A ces c urs elus, tout trempes de foi, la Mort n inspire que des battements d esperance; en eux, une sorte d Amour-phenix a consume la poussiere de ses ailes pour ne renaitre qu immortel: ils n ont accepte de la terre que l effort seul qu elle necessite pour s en detacher. Si donc il est vrai qu un tel amour ne puisse etre exprime que par qui l eprouve, et puisque l aveu, l analyse ou l exemple n en sauraient etre qu auxiliateurs et salubres, celui-la meme qui ecrit ces lignes, favorise qu il fut de ce sentiment d en haut, n en doit-il pas la fraternelle confidence a tous ceux qui portent, dans l ame, un exil ? En verite, ma conscience ne pouvant se defendre de le croire, voici, en toute simplicite, par quels chainons de circonstances, de futiles hasards mondains, cette sublime aventure m arriva.
