Penguin Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Quirky and candid, Neil Young s wildly-acclaimed book of reminiscences is as compelling as his first. He returns with more unforgettable stories about his six decades in the music business - and his wonderful lyrics - but this is not your average rock biography. He centres this new work on one of his life s passions, cars, using the framework of all the cars he s ever owned to construct a narrative of his life and career, exploring how memories are attached to objects.
