Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Dimensions: 11.0in. x 8.5in. x 0.5in.Pandoras wake is an exciting Post Apocalyptic setting in which survivors struggle to live day to day in a world overrun by the hellish creatures of a nightmare world. Bandits and rival groups add to the danger, and the radioactive wastes of mans attempt to drive back the Other-Verse with nuclear weapons dot the landscape. The game uses the 3rd generation of the Gethsemane Games Roleplay Rules which are highly adaptable to your own play stile. You will need 2 ten sided dice to play (or a dice roller app, of course). The Pandora Event ripped holes in the very fabric of our reality. Holes that let The Other-Verse in, a nightmarish world beyond our own, filled with deadly flora and fauna. Deadly bacteria and viruses that we had no defence against brought human civilisation to its knees. As plagues swept away two thirds of the human race, the alien life-forms of the Other-Verse began to emerge through the cracks in the walls of our reality, ever expanding, out competing native, terrestrial life, hunting Earths own biosphere to the brink of extinction. Turning our world into a hellish copy of the Other-Verse itself. Such is the world into which your characters will step, to struggle for survival against carnivorous plant life and predatory alien creatures as well as desperate gangs of raiders and bandits, competing for the scarce resources that have been left behind in. . . Pandoras Wake. A Post Apcalyptic RPG from Gethsemane Games This item ships from La Vergne,TN. Paperback.
