Xlibris Corporation, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.We start with the ordinary story of three everyday high school friends. Ken, Amy, and Roger stand out only by helping each other and putting bullies in their place. Then one night Ken is called out by the school s top bully. Ken takes on the bully at a chemical plant during a thunder storm. During the fight that ensues, lightning ignites barrels of toxic waste. Noxious goo is sent flying everywhere - over everything and everyone. The next day continues on as normal until Ken and his friends develop super powers. This new discovery starts out as a fun game, until their fun is cut short by others that have been affected by the chemical waste as well. These others start to cause damage and spread chaos throughout the city. Now it seems, the three friends are the only ones who can stop them. But are they strong enough to face the danger to come? Do they have what it takes to be true super heroes? Only training, sharp wit, and the strength of their friendship will shine a light on this pandemonium.
