Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Physiology of Industrial Organisation and the Re-Employment of the Disabled To assist in the work of organising labour according to rational laws; to assign to each man his true function in the social machine; to enable the hale man and the war-cripple to collaborate in the economic tasks of to-morrow; to formulate concisely the doctrine of the maximum utilisation of the physical and psychical energies, without losing sight of the moral factor: these are the motives which impelled me to write this book. It is frankly addressed to the general public, and it deals, in a pedagogic sense, with the ordinary avocations. Whether in the matter of physical education and hygiene, or the organisation of apprenticeship and labour, or that technical re-education whose programme we have had to devise, while co-ordinating the efforts made to realise it, in these sorrowful times it is the duty of each one of us actively to participate. I have briefly stated why and how. Further, I have everywhere laid stress upon the intimate connection between science and economic...
