Focus Publishing/R Pullins Co, United States, 2006. Paperback. Condition: New. Language: French . Brand New Book. Cinephile, Etude de films en francais elementaire is a series of workbooks specifically developed for French language students. The series facilitates the integration of films in language courses while reinforcing basic vocabulary and grammar structures. By targeting the four communicative goals; listening, speaking, reading and writing, it serves as an excellent tool for language learners. Each workbook in the series features a single film and develops the students linguistic competencies through progressive acquisition of vocabulary and grammar structures. The contextualized activities are organized in increasing levels of difficulty, beginning with highly structured activities and progressing to open-ended communication. The wide range and variety of activities provide great flexibility and can be easily tailored to the needs of the students. Each workbook is thus a comprehensive guide which serves as an indispensable tool for language comprehension and communication.
