Brand New Book ***** Print on Demand *****.Around the middle of the seventh century, the Muslim Arabs conquered and ruled Kurdistan, and was annexed to the Caliphate State. In this book we answered the following questions: Were the Kurds before Islam infidels? Did the Arabs controlled Kurdistan with desire of Kurds or was it against their will? And how was the relationship between the state of the Caliphate and the prominent Kurdish leaders? And did the Kurdish leaders use Islam for Kurdistan national interests, or vice versa? We were keen to show the facts of history without changing, and we adopted the scientific method in the analysis and the conclusion, and we hope that this book will be a contribution the project of rewriting the ancient history of the Kurds from a realistic perspective, and we think it is necessary and important project.
