Explore the full potential of this fascinating and versatile medium! Using simple techniques, any artist can create works of subtlety and delicacy. Readers will find a comprehensive techniques section that introduces them to the materials needed, and then demonstrates in easy-to-follow sequences essential colored pencil methods such as blending and shading. Starting with close-up drawings of subjects such as a cat's eyes and pebbles, the projects build gradually to more complex illustrations such as a still life with fruit or a tulip in a vase. A reference photo, a black-and-white outline sketch, color key and suggestions for variation also accompany each project.
