

Pack of Strays (Paperback)

By Dana Cameron

Amazon Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The second exciting novel in the Fangborn series. Archaeologist Zoe Miller has only recently learned she is Fangborn, a secretive race of werewolves, vampires, and oracles dedicated to protecting humanity. But after she discovered and opened Pandora's Box, the fabled item has lived up to its myth, and for Zoe and her friends, all hell has broken loose. Now she's on a double mission: to prevent a politician from revealing the existence of the Fangborn and to foil the diabolical plans of the powerful Order of Nicomedia, a group dedicated to eradicating her kind. But Zoe is also noticing disturbing changes in herself--new and unique abilities. Her visions are intensifying too, drawing her to faraway places to find more artifacts like the bejeweled bracelet embedded in her wrist. In a world of dizzying shifts, who can Zoe trust? For while her former lover wants to turn her in, her former adversary seems dedicated to helping her mission succeed. The second novel in Dana Cameron's Fangborn series, Pack of Strays takes the fast-paced adventure of Seven Kinds of Hell to a whole new level!.

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
