Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Up until the summer of 1972, Crystal Waves had been just another Jersey shore town. A place to spend a day or a weeklong vacation, a place to raise a family. A town with its own beach, a boardwalk, an amusement pier, and the music of the ocean. But then things begin to happen-events that some are calling modern-day miracles. The town s most beloved pastor claims that what s happening is an answer to long-ago prayers. Reporter Carissa Brillhart believes she s there to investigate, discovering there s even more to the story than meets the eye. The same, too, can be said of Katie Howard, the mysterious young waitress who works at the diner on the pier. Locals try to make sense of it all, asking if there is a logical explanation for what is happening to Crystal Waves. Or is it, in fact, a town that has received a rare and divine touch from Heaven? A Christian novel by the author of THE LARKSPUR VALLEY SERIES.
