Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Strategic Book Publishing Rights Agency, LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Keith Reynolds impulsively buys a secondhand metal detector and uses it during a camping weekend with his wife, sister-in-law and her husband. The discovery by the metal detector and subsequent illicit removal of a handgun from a disused Ministry of Defence (MOD) site, leads to Keith being implicated in the unsolved murder of a senior policeman s brother. The policeman is due for retirement, but has vowed to catch his brother s killer. With only Keith s fingerprints on the gun and the illicit way he smuggled it out of the MOD grounds, Keith has difficulty proving to the police how it came to be in his possession. News of the gun s discovery leads the real killer to try and retrieve it before ballistic testing begins. From here, the thrilling murder mystery becomes a paranormal adventure as The Metal Detector takes some strange and dangerous turns. Born in London, Alan Clarke is a technical writer in the nuclear industry. He now lives in the Lake District. Publisher s website: /AlanClarke.
