Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Silent Echoes is a poetry collection that begins with the author s emotional ride through high school relationship dynamics and continues on through his adult life. The subjects of the poetry as well as the styles and form of the writing progresses as the author s age and experience progresses. The early works are simple and superficial in form and meaning, but as he gets older, you will see a change in the complexity of his writing. Not only are the subjects more complex, but the writing also evolves. No matter how old a writer gets, the subject of his writing might change and the forms or depth of his writing might change, but one thing never changes and that is the need to bear his soul by placing a pen on paper.
