

Then Now: Memories of a Baby Boomer (Paperback)

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.
(Dr. Kayden Gerlach)

THEN NOW: MEMORIES OF A BABY BOOMER (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book takes a look at my journey through 3 generations of changes-Baby Boomer, Generation X, and Millennial generations. This book is not meant to imply that my generation was better than any other generation, but to show some of the differences between generations as I see it. So, as you travel down My memory lane, I hope it will give you time to reflect, to ponder, and above all to LAUGH! Examples of what you will read on your journey: THEN: Ozzie Harriet NOW: Beavis Butt Head THEN: Bullies were the EXCEPTION to the RULE NOW: BULLIES RULE.
