

The Healer: The Story of Francis Schlatter (Paperback)

Filesize: 5.81 MB

Reviews

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

THE HEALER: THE STORY OF FRANCIS SCHLATTER (PAPERBACK)

Sunstone Press, United States, 1998. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In most generations there appears a person, usually a man, who has authenticated powers of healing and who acts, often, as a kind of messiah. This is a person who by his or her charisma and personal magnetism attracts a large following. Charlatan, miracle worker or deluded mystic? Few contemporaries can ever decide and history itself is not sure. Such a person was Francis Schlatter who arrived in Denver in 1892. He was a German immigrant shoemaker and a devout Catholic who was on a special mission for the Father. The mission required him to wander about the country and even to be thrown in jail in Arkansas. In the villages of New Mexico, he was known as El Sanador, The Healer. This is a collection of articles about Schlatter and his own story of the wandering. He finally disappeared from a ranch in New Mexico and his body and miraculous copper rod were later discovered in Mexico. NORMAN CLEVELAND, born 1901 in California, came home to New Mexico at ten months of age. The son of Agnes Morley Cleaveland, he was educated in Silver City, New Mexico and in California. After receiving his degree at Stanford University, his professional career as a mining engineer was spent principally abroad, including twenty-two years in Southeast Asia. He is the author of two books, THE MORLEYS and BANG BANG IN AMPHANG.
