By Kenyon, Sherrilyn; Love, Dianna

Gallery Books, 2009. Soft cover. Condition: New. 1st Edition. 211 x 135 mm. Language: English
Brand New Book. BAD intercepts an unexpected tip on the secret organization that has become America's number one threat. Victoria Tynte Saxe has spent the last ten years hidden from the criminals she snitches on, a threatening ex-husband and her aristocratic family, using her electronic genius to ferret out and share information on criminal activity with international intelligence agencies. But she made one little mistake that exposed her identity and location to the very people she hides from. When the bullets stopped flying, only one man stood between her and death. She didn't trust Carlos Delgado, but she did believe him when he promised not to let anyone harm her. When teenagers become pawns in a dangerous game that threatens to throw the United States into financial and political chaos, Carlos makes the bold move to team up with Victoria. Then it's a race against time to save the teens, protect America and figure out who will be the first to die from whispered lies. Attractive copy.

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
