It's a really underestimated, under used marketing method that works incredibly well. So much so, this section is one of the main reasons we're only letting 500 copies of this go. I don't want my competition to be able to manage their customers correctly if it means I'm going to get them instead. What we're looking at here are your five primary resources. The lifeblood of any online business. That's your affiliates, your list, your customers, long term customers and joint venture prospects. All of which we'll refer to from this point onwards as your resources, or your promotion power. Each one of the big five have the power to make you sales, and thus big profits. However, imagine being able to take those five and manage them in such a way that you never have to carry out the expensive act of paying for new customers, a bigger, list, more affiliates or JV contacts ever again, but still having countless thousands of them flowing into your lap. The true power of real exponential growth is at every marketer's fingertips. They just have to know how to realize it's there and understand how to use it to their advantage. Below are more information that you are about to learn: Goals Of This Section Exponential Resource Management What To Do With Your Customers Organizing, The Keys To Success Back To Managing Your Customers Customers To Long Term Customers What To Do With Your Long Term Customers Long Term Customers Into Affiliates JV Prospects Into Affiliates...
