

Fundamentals of Physiology: A Textbook for Students of Nursing, Medicine, Dentistry and Allied Courses (Second Edition)

Filesize: 7.63 MB

Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

FUNDAMENTALS OF PHYSIOLOGY: A TEXTBOOK FOR STUDENTS OF NURSING, MEDICINE, DENTISTRY AND ALLIED COURSES (SECOND EDITION)

[DOWNLOAD](#)

Jaypee Brothers Medical Publishers (P) Ltd., 2013. Softcover. Book Condition: New. 2nd edition. This handy textbook has the basic physiology that forms the foundation of medical practice. The manageable size of the book has been achieved by discrete omission, rather than by compression. No compromise has been made with clarity for the sake of brevity. Further, words have been spent rather generously to encourage the student`s spirit of enquiry, sense of wonder and use of logic. ? Includes topics such as nutrition, environmental physiology, and yoga ? Makes learning physiology a pleasure, and inculcates in the student a life-long love for the subject ? Not examination-oriented, but adequate for passing examinations comfortably Printed Pages: 446.
