Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Siren Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.[Siren Classic: Erotic Contemporary Romance, sex toys, HEA] Blaze Zeal and Zar Russ have an instant physical and emotional connection. Blaze is hesitant to get serious with a man who is in terminal pain, but Zar convinces her to give him a chance. It seems that their relationship will end before it even gets started when Zar s private physician plots against them and lies to Blaze, saying that she has HIV. After receiving this news, Zar s brother and Blaze end up having a major car accident. Things continue to spiral downward as Blaze lies in a coma. She awakens only to discover that Zar is running out of the injections that make the pain in his damaged hip tolerable. He reluctantly admits that the medication was banned after trials because it was found to destroy the bone at the injection site. They fear the worst as they fight to keep their love alive, and life continues to conspire against them. ** A Siren Erotic Romance.
