Excerpt from Corse De Leon, Vol. 3 of 3: Or, the Brigand; A Romance Conscious innocence and a strong true heart did certainly afford Bernard de Rohan great support in this moment of difficulty and grief; but they could not remove a feeling of deep depression which had suddenly come over him, and which seemed to be, as it were, the substance of that melancholy whereof the shadow had fallen upon him on his first entrance into France. It appeared as if, at every step he took forward, some fresh load was cast upon his head; as if, at every difficulty he surmounted; new and more terrible obstacles rose up before him. He quitted the king s apartment with a firm slow step, and with an upright, though a frowning brow, but despondency was heavy at his heart; and while detained in the great audience chamber, with his arms crossed upon his chest, he waited the coming of the king, he felt that the prince s appearance would be but the commencement of new sorrow and anguish to himself.
