Forgotten Books, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Le Cotton Manuscrit Galba B. I Le manuscrit Galba B. I., que nous publions ici d une maniere complete, fait partie de la collection Cottonienne deposee au British Museum. C est un registre de format in-folio, comprenant deux cent quinze feuillets, quelques-uns de papier et d autres de velin, et cent quatre-vingt-huit pieces, dont plusieurs en original, allant de l annee 4344 a l annee 1473. La grande majorite furent ecrites en 1404 et 1405, et se rattachent aux relations politiques de l Angleterre et de la Flandre. Le lecteur pourra juger de leur importance pour l histoire des deux pays. Elles se lient egalement a l histoire de France, surtout par ces conferences de Calais dont elles donnent le detail et ou 1 on voit les ambassadeurs unir leurs efforts pour amener un moment de repos dans cette longue guerre qui desolait les deux royaumes. Ce codex a beaucoup souffert, aussi bien du feu qui detruisit un bon nombre des manuscrits Cotton en l annee 1731, que de l eau versee sur les registres pour l eteindre. L etat delabre dans lequel se trouve une partie des documents, a rendu beaucoup de passages illisibles, d autres ont subi des retouches; nous les avons reproduits avec toute l exactitude desirable, sans assumer la tache de combler les lacunes ou de redresser les textes. Nous ne releverons ici qu un seul point: celui de la chronologie. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
