AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A college coed has been missing all winter and her remains have been discovered in the Siskiyou Mountains of Northern California. The case has gone cold and Mickey Dunn, new to private investigation after his success in *Rendezvous With A Habit*, in which he nearly single-handedly breaks up the largest crystal meth ring in Central California, takes the case. The victim had a history of promiscuity, especially with older men, for whom she had voracious appetite for receiving oral sex. There are plenty of suspects with motive and opportunity, and in true-whodunit fashion, the reader doesn't discover the killer until the clever twist ending. In solving the murder, Mick has to fight the obstacles of the local Indian tribe, small town provinciality, the drug community, church hypocrisy, and his own demons. As in *Rendezvous With A Habit*, the reader should be prepared for a lot of sex as the intimate background of the victim and the continuing graphic relationship of Mick and his girlfriend, Marlene, are tastefully yet graphically illustrated.
