Digireads.com, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mikhail Lermontov's pioneering psychological novel, *A Hero of Our Time*, is probably his most impactful work, one which influenced the works of other great Russian authors such as Dostoyevsky and Tolstoy. The novel's narrative is the story of Pechorin a young officer in the army whose story is told in five non-chronological parts. Drawing upon his own experiences in the military, Lermontov creates a fascinating anti-hero in Pechorin, a man who is intelligent, calculating, manipulative, emotionally unavailable, arrogant, cynical, nihilistic, yet also sensitive. The principal accomplishment of *A Hero of Our Time* is the introduction of the Byronic anti-hero to Russian literature, a departure from the traditional idealized protagonist of the Romantic period which signifies a pivotal move towards the realism of the Modernist literary movement. As Lermontov describes in his preface: *A Hero of Our Time*, my dear readers, is indeed a portrait, but not of one man. It is a portrait built up of all our generation's vices in full bloom. You will again tell me that a human being cannot be so wicked, and I will reply that if you can believe in the existence of all the villains of tragedy and romance, why wouldn't believe that there was a Pechorin? This edition is printed on premium acid-free paper and includes an introduction by George Reavey.
