THE MAGNETIC NORTH: TRAVELS IN THE ARCTIC (PAPERBACK)

[DOWNLOAD PDF](#)

Vintage Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Smashing through the Arctic Ocean with the crew of a Russian icebreaker, herding reindeer across the tundra with Lapps and shadowing the Trans-Alaskan pipeline with truckers, Sara Wheeler discovers a complex and ambiguous land belonging both to ancient myth and modern controversy. The Magnetic North is an adroit combination of history, science and reflection in which Wheeler meditates on the role of the Arctic: fragmented lands which fed imaginations long before the scientists and oilmen showed up (not to mention desperado explorers who ate their own shoes). The Magnetic North tells of all this, plus gulag ghosts, old and new Russia, colliding cultures and bioaccumulated toxins in polar bears. Chosen as Book of the Year by Will Self, Michael Palin, A. N. Wilson, Robert Carver and others.
