However, he doesn t find sex with her pleasurable anymore. He decides to find out what s wrong with him: he flirts with other women at work, he takes a large number of pills, he experiments things with his wife, does plenty of research, and finally. he stumbles across a gay dating website. He makes a decision to put up a profile on the website, saying 34 years old. No experience. I would like to meet a guy of similar age and with no experience. He starts chatting with Peter, a charming man with a similar problem and the exact state of soul that Martin has. They agree to get to know each other better and set a meeting in person. Peter seems like a nice guy, he tells the story of his life, and talks about how it s like to have sex with a man. Martin and Peter like each other and decide to meet at Martin s house. And that s where all the passion and pain intertwine. Martin, being reckless and eager to try new things, lets his guard down around Peter. And that s the mistake Martin will regret about, What was I thinking? Have your copy NOW! SCROLL to the top of the page and select the Add to Cart button.
