

New York State s Prominent and Progressive Men, Vol. 1: An Encyclopaedia of Contemporaneous Biography (Classic Reprint) (Paperback)

Filesize: 8.36 MB

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better then never, though i am quite late in start reading this one. Your lifestyle span will probably be convert once you complete reading this publication.
(Dr. Kadin Hane DVM)

NEW YORK STATE S PROMINENT AND PROGRESSIVE MEN, VOL. 1: AN ENCYCLOPAEDIA OF CONTEMPORANEOUS BIOGRAPHY (CLASSIC REPRINT) (PAPERBACK)

[DOWNLOAD PDF](#)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from New York State s Prominent and Progressive Men, Vol. 1: An Encyclopaedia of Contemporaneous Biography It is the aim of the present work, in this and the succeeding volumes, to set forth the life-records of a considerable and representative number Of the prominent and progressive men Of the Empire State of the American Union. They are chosen from all honorable walks of life, public and private. They represent all political parties, all departments of industry and trade, and the various learned professions which fill SO large a place In the social economy Of the modern community. Some Of them are in af?u ent and some in moderate financial circumstances. Some of them have finished or are finishing their life-works, and some of them are, seemingly, only upon the thresholds of their careers. There is no intention nor attempt to choose or to compose a class, save as native ability and achieved leadership in affairs may be the characteristics of a class. There are names on the roll that will command instant recognition and there are others that may have in these pages their first introduction to the general public. The one qualification required, which will be found a characteristic of all, is that Of such achievement as gives fair title to prominence or to a repute for progress. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
