People and the Planet (Paperback)

By Torrey Maloof

Teacher Created Materials, Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. The way we live affects our home - Earth. While people have lived on Earth for a long time, we are just beginning to see the impact of our actions on our planet. From pollution to thoughtful farming, explore the harmful and beneficial ways we use natural resources so that we can become conservationists that protect our planet. Teach third-grade students about deforestation, desertification, the greenhouse effect, terracing that prevents land erosion, and more with the vibrant photographs in this high-interest informational text. Featuring a hands-on Think Like a Scientist lab activity that is aligned to the Next Generation Science Standards, this book helps students apply what they've learned in the text and supports STEM instruction. Helpful diagrams and text features, such as a glossary and index, are also included to improve content-area literacy.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).

-- Jacqueline Kerluke

I just started looking at this pdf. It can be really fascinating through studying period of time. It's been printed in an extremely basic way and is particularly only following I finished reading through this publication where in fact altered me, change the way I really believe.
