Realtime Speaking, Australia, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In *Speak Truthfully*, Robert Rabbin, along with essays from many of his students, tell their stories of how they reclaimed their lost power of self-expression, how they healed their wounds of self-doubt, and restored their creative vitality from the clutches of repressive self-censoring. Robert and his students share how they found the courage and confidence to speak from their hearts, how they healed themselves of criticism-induced and judgment-inflicted wounds to their creative and expressive inner being. No longer afraid to speak truthfully, they now stand without pretense or defense in their truth, speaking with authenticity and vulnerability, in full and honest connection with others.
