Reviews

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Excerpt: . . . will give us credit for an earnest desire to prove ourselves worthy of your confidence; you will see that it has been our anxious wish to propose to the government no amendments on their bill, which were not justified by experience. It has been our desire to afford you the means of giving an additional proof to France of the deep and unceasing interest for her prosperity which animates you, when the question before you is the passing of a law tending to improve the condition of your fellow-citizens, and to render the lot of the working classes more happy, by providing for their health, their education, and their morals; in a word, when the object is to add to those physical, intellectual, and religious possessions, which constitute the welfare, honour, and prosperity of a wise and powerful nation. We trust that the bill now submitted to you will come out from that legislative ordeal through which it has to pass improved by the amendments which we have proposed, and by such others as will doubtless be suggested by subsequent examination and discussion. IV. A Brief Account of the Discussion in the Chamber of Peers, in passing the Projet de loi. The above Report was presented to the Chamber on the 22d of February, 1840, and was taken into consideration a fortnight afterwards. In the interval, the subject was discussed in several of the newspapers; and, what was very remarkable and consolatory, all spirit...
