HarperCollins Publishers Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Before New York Times bestselling author Kerrelyn Sparks created a world of vampires, there was another world of spies and romance . . . Virginia Munro could not believe her ears. This bewigged, bejeweled, and bedeviling man was trying to buy her? As if she were some trollop on the Boston docks? Before she s fully able to give in to her outrage, the fop moves on--and Virginia refuses to spare him another thought. But Quincy Stanton is not what he seems. By day, he poses as a carefree Loyalist with an army of wigs and a wardrobe that favors lavender. By night, he wages a secret war against the British with an impressive collection of eighteenth-century spy gadgets. If anyone were to discover the truth, Quincy would hang, yet he can t seem to stay away from the lovely and saucy Virginia. Will their attraction lead to love . . . or danger?.
