It also explains how our lives are enhanced and healed through positive interaction with spirit. This book is filled with clear, understandable information on communing with those on the other side and provides outstanding insight on how your spiritual skills and talents can be developed to aid you and your family. Ancestral reverence is as old as human beings and has always been understood as a powerful force for individual, family, cultural and community strength and stability. The Lukumi/Yoruba priestess Aladokun, illuminates how honoring your ancestors and working with your guides can add enormous clarity, direction and peace to your life. Her soothing explanations, advice, caveats, counseling, and explicit directions makes you feel as if you have the most supportive...
