The three lands were at peace for over a hundred years until the Lump came along and mucked everything up. Now, the Great Egg stands on the brink of war due to the presence of a blind dragon, courtesy of the Lump (who has a new penchant for calling himself Dragonblinder). Just when the big guy found his calling in life, an invasion happened. Some dragons are a serious pain in the rump. Meena s power grows as she discovers what it means to be a woods witch. A dark cult has risen to worship the dragon. Marty insists on calling turnips a ridiculous name. An ancient ruin reveals the secret history of Aardland and Gallis. Ghosts are appearing to exert their influence. It is uncertain whether savage Hill-Folk are friend or foe. Dragon In Gallis is the second book in The Lump Adventures, an epic fantasy with a few laughs thrown in for good measure.
