Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. His story will become an inspirational touchstone for your own life as you seek the light at the end of a long and dark road. We all see days, months, or even years of mountains that we must climb, barely recovering from one before beginning the ascent of the next. Though these obstacles may seem tiring-physically, emotionally, spiritually-God knows that He is simply preparing us for our next great adventure. For Galen Gill, his tests came in the form of thirteen years of loss, struggle, and sacrifice. In this remarkable story of perseverance through faith, Galen Gill recounts the tests that he saw after God told him to prepare for a season of death. With fear and anxiety, he continued to live his life, read God s Word, and love his family-until the season began. After losing everyone closest to him, his faith wavered, understandably, but he found his way back to God. With great humility and honesty, Galen Gill describes how he experienced loss, heartache, depression, and spiritual confusion and came through the other side with a strong family, faith, and vision. Discover for yourself how to turn to God even when your spirit is tired and your conviction is weak.
