Dutton Books, 2015. Paperback. Condition: New. Language: English . Brand New Book. From the Edgar(R) Award-winning author hailed by Stephen King as the next suspense superstar comes her new thriller with a plot as real as your nightmares (#1 New York Times Bestselling Author Lee Child). One year ago, a shootout in a trendy L.A. club left bartender Harper Flynn s boyfriend dead, Sheriff Deputy Aiden Garrison shattered, and two gunmen engulfed in flames. But if the case is closed, why is Harper still afraid? Certain that a third gunman escaped and is targeting survivors, Harper pins her last hope on the only person willing to listen. But a traumatic brain injury has left Aiden with a rare and terrifying disorder: a delusion that random people are actually the same person in disguise. As Harper and Aiden delve deeper into the case, Harper fears that the attack might have been more personal than anyone believed. And now her only ally is unstable, paranoid, and mistrustful--because he s seeing the same enemy everywhere he looks.
