In this groundbreaking work, journalist and New York Times bestselling author Daniel Coyle provides parents, teachers, coaches, businesspeople and everyone else with tools they can use to maximize potential in themselves and others. Whether you're coaching soccer or teaching a child to play the piano, writing a novel or trying to improve your golf swing, this revolutionary book shows you how to grow talent by tapping into a newly discovered brain mechanism. Drawing on cutting-edge neurology and firsthand research gathered on journeys to nine of the world's talent hotbeds—from the baseball fields of the Caribbean to a classical-music academy in upstate New York—Coyle identifies the three key elements that will allow you to develop your gifts and optimize your performance in sports, art, music, math, or just about anything. **Deep Practice**—Everyone knows that practice is a key to success. But what separates truly high achievers from the rest of the pack? A higher level of commitment? Call it passion, born out of our deepest unconscious desires and triggered by certain primal cues. Understanding how these signals work can help you ignite passion and catalyze skill development. **Master Coaching**—What are the secrets of the world's most effective teachers, trainers, and coaches? Discover the four virtues that enable these talent whisperers to fuel passion, inspire deep practice, and bring out the best in their students.
