PRINCIPLES OF FEDERAL CONSTRUCTION CONTRACTING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Principles of Federal Construction Contracting, is a thorough, practical introduction to the federal market for small construction firms seeking to understand how to do business with the federal government. As Stan s book demonstrates, it is not enough to be excellent in your construction services to succeed with the government client, one has to understand the structure of a federal construction contract in order to minimize bid risk and enhance one s ability to satisfy the customer. In this book Stan has presented an excellent systematic analysis of the most common terms and conditions presented in federal construction solicitations, explained in Stan s no-nonsense language from one construction professional to another. If you are thinking about or starting to pursue federal construction business, Stan Uhlig s Principles Of Federal Construction Contracting is a must read. Director, Contracts Procurement, Nobis-Engineering Inc Principles of Federal Construction Contracting helped us diversify the business. We have been able to thrive at a time when others are struggling just to stay in business. Owner Silverdale, WA Principles of Federal Construction Contracting has become a great resource for us. Whenever we have a question about a project we are bidding, I know where to find the answer. Greg Tozer Operations Manager It is really hard to find people that truly understand construction and even harder to find people that understand Federal work--Stan is very knowledgeable and I highly recommend Principles of Federal Construction Contracting if you would like to grow your business and be profitable. Owner What This Book Will Do for You Principles of Federal Construction Contracting is designed to be your complete reference for the rules, regulations, procedures, and processes of doing business...
