

Brittany: a Concise History

By Gwenno Piette

University of Wales Press. Paperback. Book Condition: new. BRAND NEW, Brittany: a Concise History, Gwenno Piette, Prior to its incorporation into France in 1532, the Breton Dukes maintained Brittany's independence as a Celtic nation first established by Nomenoe in the 9th century. As a region of France, the Breton language and culture has been in a long and gradual decline. Yet over the past thirty years, Brittany has successfully been reasserting its linguistic and political identity. Written and presented in an accessible style, this book will also prove popular with travellers and the general public. It is an ideal introduction to Brittany for students of French and Breton history, as well as Celtic Studies.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
