*It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Echo Of a language wooing TO some fairer, better land, Where the soul enriched, enraptured, On some starry hight shall stand? Echo Of the blest assurance That as is the soul's desire Such shall be its full provision, Ever something more and higher? Not as an eagle fettered and caged And left to languish and die, While the piteous gleam of a heavenward Fades from its noble eye, But bearing enclosed in its deep recess A title affixed with power TO something beyond its highest thought, To an unencircled dower, The spirit Oi man can feast on hope, Can spread its airy wing And darting above the storm-tossed cloud, In its self-poised grandeur sing: Something beyond! My life is a day That knows no twilight's muffled ray Something beyond! My heritage lies Away, away through the azure skies.
