## EUROPEAN WELFARE STATE AND SUPRANATIONAL GOVERNANCE OF SOCIAL POLICY : IMPLICATIONS FOR REGIONAL AND GLOBAL GOVERNANCE

[DOWNLOAD](#)

Palgrave Macmillan, UK, 2005. Hardcover. Condition: New. First Edition. 256 Pages. This ground-breaking book sets out evidence on the evolution of social policy within the European Union at three levels of governance: the national, the EU and the ILO. Ailish Johnson seeks to challenge theories of integration that focus on economic interests and relative bargaining power. She suggests an alternative theory that draws upon national welfare state regimes, and the features and incentives of institutions that encourage cooperation and assure outcomes higher than theories of inter-state bargaining or social dumping would predict. Based on extensive research and over 70 interviews with policy makers and practitioners, this study identifies the various Member States as policy leaders, resisters and passive states. The analysis holds some surprises. This book is important reading for students, researchers, and policy-makers in the fields of social policy, labour economics, international relations, European studies, political economy and related fields. Book Description: Ailish Johnson examines national welfare state regimes of EU Member States and the features of the European Union and the International Labour Organization that encourage cooperation and assure outcomes of supranational cooperation better than theories of inter-state bargaining or social dumping would predict. By tracing the development of EU and global social policy from the 1950s to today, she identifies policy leaders, resisters and passive states. She concludes with an analysis of the forms and outputs of supranational social policy and suggests limits of social policy in an enlarged European Union. : About the Author: AILISH JOHNSON is a Senior Trade Policy Analyst at the Department of International Trade, Canada, and lectures at the Norman Paterson School of International Affairs, Carleton University, Ottawa. She received her D.Phil from the University of Oxford in 2003. Size: 14 x 1.9 x 21.6 cm. 284 pages. Quantity Available: 1. Category:...
