

Machine Gun Kelly s Last Stand (Hardback)

Filesize: 9.43 MB

Reviews

A new eBook with a brand new point of view. It really is written in basic words and not confusing. I discovered this publication from my i and dad recommended this book to find out.

(Miss Annamarie Ebert !)

MACHINE GUN KELLY S LAST STAND (HARDBACK)

University Press of Kansas, United States, 2003. Hardback. Condition: New. New. Language: English . Brand New Book. Orchestrated to the sounds of getaway cars and machine guns, the abduction of Oklahoma City businessman Charles Urschel in 1933 was a highly publicized crime in an era when gangsters were folk heroes and kidnapping had become a scourge. The criminals interstate flight to a desolate hideout in Texas called for federal action, instigating the most intensive manhunt the country had yet seen. It also set in motion a chain of events that would have lasting significance for crime-fighting in America. In an exciting account of that celebrated manhunt, Stanley Hamilton rekindles the spirit of yesterday s newsreels to chronicle the pursuit and capture of George Machine Gun Kelly and his wife, Kathryn. Tapping a wealth of newspaper reports, court transcripts, literary accounts, and recollections of participants, he draws readers into the chase and its aftermath, unraveling what was then considered the most compelling crime mystery of the day. Hamilton sets the stage with an overview of the lawlessness of that era and of Kelly s formative years, getting under the skin of a hard-boiled criminal to show us what made Kelly tick. He assembles a cast of larger-than-life characters to weave this tale of true crime, one of the largest of whom was the 38-year-old director of the national police force, J. Edgar Hoover. Hoover had revitalized an ineffective agency whose operatives were still not authorized to carry firearms or make arrests, and when the Urschel case broke, it was Hoover who stepped up to coordinate the manhunt. Hamilton takes readers behind the scenes in Hoover s operation to show how this case was responsible for popularizing the G-man and institutionalizing the FBI, creating the agent-as-hero image that replaced earlier characterizations of...
