

Scenery, Science and Art: Being Extracts from the Notebook of a Geologist and Mining Engineer (Paperback)

Filesize: 1.82 MB

Reviews

Excellent eBook and valuable one. We have read and i am certain that i will going to go through once more yet again later on. You will like how the blogger publish this ebook.

SCENERY, SCIENCE AND ART: BEING EXTRACTS FROM THE NOTEBOOK OF A GEOLOGIST AND MINING ENGINEER (PAPERBACK)

Hardpress Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
