Filesize: 4.09 MB

Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

THE FAST-CHANGING ARCTIC: RETHINKING ARCTIC SECURITY FOR A WARMER WORLD (PAPERBACK)**DOWNLOAD PDF**

University of Calgary Press, Canada, 2013. Paperback. Condition: New. Language: English . Brand New Book. In this timely new book, international scholars and military professionals come together to explore the strategic consequences of the thawing of the Arctic. Their analyses of efforts by governments and defence, security, and coast guard organizations to address these challenges make timely and urgent reading. Rather than a single national perspective, The Fast-Changing Maritime Arctic brings together circumpolar viewpoints from Europe and North America for an integrated discussion of strategic military, diplomatic, and security challenges in the high North. Thoughtful analyses are included of different regions, climate issues, institutions, and foreign and security policies. This is an important book for students of international studies, political science, and northern studies.
