Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Fernando Hahn)

Northstone, 1997. Soft cover. Book Condition: New. 1st Edition. 153 x 102 mm. Language: English Brand New Book. Many parents wonder how to share their faith in a way that respects their child's need to develop and grow their own spirituality. *The Kid-dom of God: Helping Children Grow in Christian Faith* is a complete collection of the award-winning *Children Celebrate* columns by psychologist Nancy Reeves, Ph.D., and composer/musician Linnea Good. Selected as the Best Family Life Column in 2012 by the Catholic Press Association (U.S. and Canada), and awarded 2nd place in the Best Column category by the Canadian Church Press, these articles are filled with both simple and complex concepts meant to enrich family relationships, enhance spiritual growth, and offer a nexus point where everyday experience meets reflection on the sacred. As one judge commented, Reeves and Good pack a lot of good advice into [these] provocative columns. Topics include endings, gratitude, patience, obedience, fairness and justice, awe, creation, discernment, ego, nurturing spirituality, and more. The Protestant and Roman Catholic editions reflect the language, traditions, and practices of each tradition, respectively.
