Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.White or whole wheat, creamy or crunchy, grape jelly or strawberry jam-no matter how you slice it, nothing evokes the classic comfort and appeal of a peanut butter and jelly sandwich. Whether it's packed in a brown paper bag or a superhero lunchbox with a note from mom, the PBJ is as vital a part of our American culture and values as baseball and apple pie. And no matter what the bologna-peddlers might want you to think, there's no end in sight for this timeless culinary delight. So you're probably thinking, why hasn't there been an authoritative work to dissect a subject of such great importance? One written by the world's foremost self-proclaimed expert on said subject, Joshua Rubin? And you would be right to question its absence-until now, that is. The Peanut Butter and Jelly Sandwich: An Authoritative Work is here to answer every question you never knew you had about the humble PBJ, from the history of its vital ingredients, to variations on its classic form, to timelines of important events. This masterpiece of food-related academia is a must-read for sandwich enthusiasts everywhere, and offers a fitting tribute to one of America's most recognizable and accessible dishes.
