TRIUMPH BOOKS, United States, 2014. Paperback. Book Condition: New. Reprint. 226 x 152 mm. Language: English . Brand New Book. Tracing the careers of four instrumental players who turned around the Yankees ball club, this book shares behind-the-scenes stories from their early days together in the minors through the 2013 season, and follows them on their majestic ride to the top of the baseball world. At a time when the New York Yankees were in free fall, having failed to win a World Series in 17 years and had not played in one in 14 years--the Bronx Bombers longest drought since before the days of Babe Ruth--along came four young players whose powerful impact returned the franchise to its former glory. Together they formed the Core Four, and would go on to play as teammates for 13 seasons during which time they would help the Yankees advance to the postseason 12 times, win the American League pennant seven times, and take home five World Series trophies. This book follows these phenoms from the minor leagues to the present, detailing their significant contributions to a winning major league franchise. This 2014 edition updates readers on Jeter's struggles with injuries and...
