Reviews

This written book is excellent. It typically is not going to price a lot of. I found out this book from my dad and i encouraged this book to discover.

(Darrin Abbott)

UNIVERSAL HARVESTER (PAPERBACK)

[DOWNLOAD](#)

Picador USA, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Life in a small town takes a dark turn when mysterious footage begins appearing on VHS cassettes at the local Video Hut. So begins *Universal Harvester*, the haunting and masterfully unsettling new novel from John Darnielle, author of the New York Times Bestseller and National Book Award Nominee *Wolf in White Van*. A New York Times Bestseller A moving, beautifully etched picture of America's lost and profoundly lonely. --Kazuo Ishiguro, author of *The Remains of the Day* and winner of the 2017 Nobel Prize for Literature Brilliant . . . Darnielle is a master at building suspense, and his writing is propulsive and urgent; it's nearly impossible to stop reading . . . [*Universal Harvester* is] beyond worthwhile; it's a major work by an author who is quickly becoming one of the brightest stars in American fiction. --Michael Schaub, *Los Angeles Times* Grows in menace as the pages stack up . . . [But] more sensitive than one would expect from a more traditional tale of dread. --Joe Hill, *New York Times Book Review* (Editors Choice) The most unsettling book I've read since *House of Leaves*. --Adam Morgan, *Electric Literature* It's the late 90s, and you can find Jeremy Heldt at the VideoHut in Nevada, Iowa--a small town in the center of the state. The job is good enough for Jeremy, quiet and predictable, and it gets him out of the house, where he lives with his dad and where they both try to avoid missing Mom, who died six years ago in a carwreck. But when a local school teacher comes in to return her copy of *Targets*--an old movie, starring Boris Karloff--the transaction jolts Jeremy out of his routine. There...
