Reviews

It is one of the best publications. It is really very intriguing through reading through periods of time. You will not feel monotony at any time of your own time (that's what catalogs are for relating to in the event you request me).

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A black plague has landed on the doorsteps of low income black neighborhoods, and black men have been the major targets. Our black men s blood is quickly filling the streets around the world, while the screams of their loved ones echo across every social media and news broadcast. Black executions aren t hidden. They re openly laid out to provoke even the most peaceful soul to rage. Isn t that the plan? A true hunter baits his prey into attacking him so the kill can be justified when it was a planned execution all along. It s as if white men await in the shadows for black blood. The truth is being exposed, no matter how raw, uncut, and cold-hearted it is. Black men are being hunted down and executed regularly by overly eager cops who enjoy the hunt and kill of black life. What are we missing here? Why can t we see this? Who truly gives a damn about black life? These cowards and racists have aligned and joined forces. Not against true crime, but against you, my black brother and sister, and we re too damn distracted amid our demise to educate ourselves on how to combat it. Who ushered in this black plague? Has it always been here, but hidden in plain sight. Has it been dressed up to give us the false belief that we re protected when we re actually being put to death? And the genius part of it all is that they ve created a war between black people, which has allowed the hunter to set up camp in our neighborhoods and place us under siege to cruel and ravishing destruction. A...
