Random House USA Inc, United States, 2009. Paperback. Book Condition: New. Reprint. 198 x 132 mm. Language: English . Brand New Book. Nobel laureate Doris Lessing's classic novel of the pivotal summer in one woman's life is a brilliant excursion into the terrifying gulf between youth and old age. As the summer begins, Kate Brown--attractive, intelligent, forty-five, happily married, with a house in the London suburbs and three grown children--has no reason to expect that anything will change. But by summer's end the woman she was--living behind a protective camouflage of feminine charm and caring--no longer exists. *The Summer Before the Dark* takes us along on Kate's journey: from London to Turkey to Spain, from husband to lover to madness, on the road to a frightening new independence and a confrontation with herself that lets her finally and truly come of age.
