Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.

CONVERGE BIBLE STUDIES: IDOLATRY (PAPERBACK)

Abingdon Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Idols are fairly easy to recognize in Old Testament stories about false gods, golden calves, statues, and Asherah poles. And they re not hard to spot in the lives of other people. But what about our own idols? Is it even possible for 21st-Century Christians to worship gods that aren t real? How do we know if we re doing it? In Idolatry, Curtis Zackery takes a look at an ancient sin that still ensnares God s people today. Converge Bible Studies is a series of topical Bible studies based on the Common English Bible. Each title in the series consists of four studies on a common topic or theme. Converge can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in Converge come together to transform readers relationships with others, themselves, and God.
