Then learn to go against the crowd instead of with it. That s right, you heard me. I said against the crowd! The only way to truly become wealthy through investing is to think differently from the masses. In this popular book, a seasoned investor explains why most amateur and even professional investors find themselves regularly losing money for reasons they cannot comprehend. If you enjoyed Peter Lynch s One Up on Wall Street or Robert Hagstrom s The Warren Buffet Way The Warren Buffet Portfolio, then this book is the ideal read for you! This easy-to-read book is filled with time-proven strategies as practiced by the top investors of our time including celebrity investors such as Warren Buffet, Carl Icahn, David Dreman, John Templeton, and David Einhorn. You don t have to be a professional investor on Wall-Street to have above-average returns, and the strategies listed in this book will show you why. If you are looking to learn to invest effectively and generate above-average returns over the...
