Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Dave J.Stefanik. Paperback. Book Condition: New. Paperback. 268 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. My wife and I have been selling an assortment of merchandise at street fairs, A and C (Arts and Crafts) Shows, festivals, and county fairs for over eighteen years. We made yearly trips out of state to Tyson Wells, AZ (July) and various locations in Oregon (July) to sell for extended periods of time in January and July. We participated in many street fairs in the Bay Area and other Northern California locations along with the lovely Central Coast Area throughout the year, visiting and doing street fairs in such communities as Arroyo Grande, Grover Beach, Morro Bay, Los Osos and Cambria, just to name a handful. . . Last year, I had to withstand winds in excess of seventy miles per hour as both my canopies toppled over in Arizona sending everything crashing to the ground into the mud and water. Imagine watching at least 60 other canopies being lifted into the air while others crumbled merciless to the ground. Canopies that didnt go flying went lying. There were canopies and merchandise that flew away, some never to be seen again. People lost many thousand dollars of their products. See what its like taking a motor home to Oregon to sell at County Fairs and other events. Our trips north were a lot of fun but getting two flat tires on our motor home once was just not too enjoyable. How about having your vehicle disabled right in the middle of an event hundreds of miles from home Now you can meet many of the characters that we encountered over the years. Read about Moonwalk Marvin, Bossin Bryan, The Super Heinz Lady, The Walking Billboards of Morro Bay, Hot Flash Henrietta and so many more....
